## MESSAGE FROM DR. DAVID JAMES

This directory represents the first fruits of the Berit Mila Program and an opportunity to celebrate the efforts of the many Rabbis and teachers who have contributed their time to train Mohalim/ot. Since its establishment in 1984, the Berit Mila Board of Reform Judaism has been proud to certify such dedicated and qualified individuals to serve the Jewish people through the mitzvah of Berit Mila. The Berit Mila Board, composed of representatives from the Central Conference of Reform Rabbis, the Hebrew Union College-Jewish Institute of Religion, the Union of American Hebrew Congregations, and Mohalim/ot, meets annually to review candidates for certification and to discuss practical and theoretical issues regarding the Berit Mila Program.

We encourage more Jewish medical professionals to demonstrate their commitment to Reform Judaism and to the sanctity of the Jewish family unit by becoming Mohalim/ot. Our hope is that with an increasing availability of Reform Mohalim/ot, more families will choose to bring their children into the covenant of Judaism through this ancient ritual.

David F. James, M.D.  
Chair, Berit Mila  
Board of Reform Judaism

## MESSAGE FROM DR. DEBORAH COHEN

The National Organization of American Mohalim/ot (NOAM) is very pleased to take part in publishing the first National Directory of Mohalim/ot. This directory, listing eighty-six Mohalim/ot in twelve states, represents the culmination of a seven year effort to train qualified health professionals in the traditions of Berit Mila and Reform Judaism. In support of the Berit Mila Program, NOAM offers continuing professional education for Mohalim/ot and provides information for all those interested in the Program. Our goal is to expand training and increase our numbers so that Jews throughout America will have access to certified Reform Mohalim/ot. This directory, therefore, is not only a guide for service, but a map which directs us to fill in many gaps and reminds us of the immense work still to be done.

We welcome all certified Mohalim/ot, Rabbis, Jewish Educators, and Jewish Communal Professionals to join us in our efforts. Our hope is that you will find the directory a useful resource and share it with others. In addition, we appreciate your feedback and suggestions.

Deborah A. Cohen, M.D.  
Acting Chair, NOAM

## MESSAGE FROM RABBI BARTH

The Berit Mila Program in Reform Judaism was created to meet a religious need and fill a spiritual void. In recent years many Jewish communities and young parents became aware of the lack of Mohalim/ot in some parts of the United States and the inability of Reform Jews to find Mohalim who would respond to their religious needs at a very significant and wonderful life-cycle moment.

This National Directory of Mohalim/ot certified by the Berit Mila Board of Reform Judaism testifies to the determination of the Reform Movement to meet this need and fill this void. It is designed to both inform and encourage. The National Directory is a useful reference work for Rabbis, Jewish Educators and those who serve in Jewish Community agencies, as well as others who are frequently asked to provide the name of an available Mohel/et to perform Berit Mila. In addition, this is a symbolic document, pointing to the possibility for interested Jewish medical practitioners to undertake a course of religious training in order to serve the Jewish People. And of course, the directory is also a tangible example of the dedication of outstanding men and women who have already made this commitment to serve.

It is our hope that these Mohalim/ot will serve hundreds, indeed thousands of Jewish families in the years ahead, and that many names of dedicated Jewish medical practitioners will be added to future issues of this National Directory.

Lewis M. Barth  
Co-Chair, Berit Mila  
Board of Reform Judaism
